Sherwood Road
Tideswell, Derbyshire

Welyarde is a delightful cottage and a perfect base for your holiday in the Peak District. It is your well-deserved haven away from the stresses and strains of your busy life. Just imagine: no commuting, no big-city frenzy, no deadlines. Instead, you can take things at a slower pace, enjoy the amazing Peak District landscape that surrounds you. Listen to and watch the wildlife; relax in traditional country pubs, chat to the locals, and enjoy the company of your friends and family.

Welyarde is located on a quiet road on the edge of Tideswell. Built in the 1800's, it was originally three separate cottages with a farmer's field behind it. It is now a single cottage with three bedrooms, and the farmer's field has become a beautiful landscaped garden. At the far end of the garden is The Old Piggery - an equally dog friendly establishment with fabulous views.

With access to some excellent walks from your door, Welyarde is ideally situated for walkers and all those who enjoy the outdoors, yet is only a three minute walk to the village centre. Here you will find a thriving range of facilities – including food shops, three churches, a post office, NatWest cash dispenser, three fabulous pubs, several excellent cafés, and two traditional Fish and Chip shops. All the pubs in the village are dog friendly.

Sleeps 6

Welyarde is perfect for couples, families or groups of friends. Sleeping 6 in three double bedrooms.

Dogs very welcome

Some cottage owners tolerate dogs (provided they don't go upstairs, sit on the furniture, bark, drop a single hair etc etc.). We're different. At Welyarde we truly welcome dogs. They deserve a holiday as much as you, and if they enjoy themselves, then you will enjoy yourself. A welcome pack is provided for dogs, including "I'm on holiday" dog tags, and a bag of home made tuna bread treats. Doggie towels, throws and poo bags a-plenty are also provided.
